

سعة القدم

Athlete's Foot (Tinea Pedis)

Tibb al-Nabawi Protocol · Authentic Hadith · Prophetic Remedies · Modern Clinical Evidence

Fungal infection between toes.

MEDICAL DISCLAIMER: This protocol is for educational purposes only. Consult a qualified physician before applying any remedy or undergoing Hijama therapy. Pregnant women, children, and patients with chronic conditions require specialist guidance. Hijama must be performed by a certified practitioner.

EXHAUSTIVE REVELATION · QUR'AN

حتى يطهرن فإذا تطهرن فأتوهن من حيث أمركم الله إن الله يحب التوابين ويحب المتطهرين
ويسألونك عن المحيض قل هو أذى فاعتزلوا النساء في المحيض ولا تقربوهن

"And they ask you about menstruation. Say, 'It is harm, so keep away from wives during menstruation. And do not approach them until they are pure. And when they have purified themselves, then come to them from where Allah has ordained for you. Indeed, Allah loves those who are constantly repentant and loves those who purify themselves.'"

Surah Al-Baqarah · 2:222 — This verse establishes the principle of cleanliness and purification as beloved to Allah, directly relevant to preventing athlete's foot which thrives in unclean, moist conditions between toes.
