Pneumonia (Supportive)

Tibb al-Nabawi Protocol · Authentic Hadith · Prophetic Remedies · Modern Clinical Evidence

Lung infection — **REQUIRES** medical treatment.

MEDICAL DISCLAIMER: This protocol is for educational purposes only. Consult a qualified physician before applying any remedy or undergoing Hijama therapy. Pregnant women, children, and patients with chronic conditions require specialist guidance. Hijama must be performed by a certified practitioner.

EXHAUSTIVE REVELATION · QUR'AN

ثم لتبلغوا أشدكم ومنكم من يتوفى ومنكم من يرد إلى أرذل العمر لكيلا يعلم من بعد علم شيئا مضغة مخلقة وغير مخلقة لنبين لكم ونقر في الأرحام ما نشاء إلى أجل مسمى ثم نخرجكم طفلا يا أيها الناس إن كنتم في ريب من البعث فإننا خلقناكم من تراب ثم من نطفة ثم من علقة ثم من

"O People, if you should be in doubt about the Resurrection, then [consider that] indeed, We created you from dust, then from a sperm-drop, then from a clinging clot, and then from a lump of flesh, formed and unformed - that We may show you. And We settle in the wombs whom We will for a specified term, then We bring you out as a child, and then [We develop you] that you may reach your [time of] maturity. And among you is he who is taken in [early] death, and among you is he who is returned to the most decrepit [old] age so that he knows, after [once having] knowledge, nothing."

Surah Al-Hajj · 22:5 — This verse acknowledges Allah's decree over life span and death from illness, relevant to pneumonia as a potentially fatal respiratory condition requiring submission to divine will alongside medical care.
